

PROPHETS ALL AROUND THE WORLD:

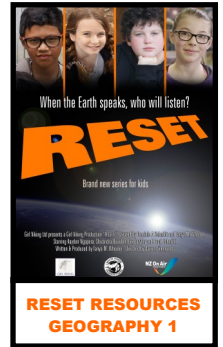

When NING disappears from Hong Kong and turns up in Auckland, she joins JUSTIN as the second 'prophet child' contacted by the Earth Goddess in RESET. There are twelve children in total from around the world.

Geography is about the world and the physical landscapes.

- 1) Look at the Map of New Zealand below and see if you can put a RED DOT where Auckland is. This is where Justin and his friends first encounter the Earth Goddess.

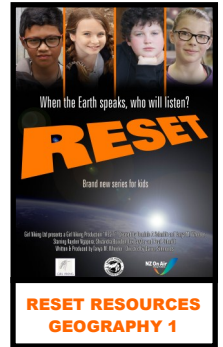

- 2) Look up what LATITUDE and LONGITUDE mean, and how the coordinate numbers can relate to places on the map. See if you can find the LATITUDE and LONGITUDE coordinates for your town. Write them here: LAT _____ LONG _____

PROPHETS ALL AROUND THE WORLD:

3) On the world map on the next page, see if you can find, and label, all of the places where the other 'prophet' kids from Season 2 will come from using the city name or the latitude and longitude coordinates or the picture clues below to work them out. It might also be helpful to fill out the PROPHECT chart if you wish:
