

LUKE AND HIS SKATEBOARD:

Luke is never without his trusty skateboard. He uses it to earth the car in RESET Webisode 3 and he tries to unsuccessfully impress Heather in RESET Webisode 5.

Luke's skateboard is looking pretty tatty and tired. He needs to paint a cool new design on it, perhaps something influenced by what is happening on RESET with aliens coming and orange ooze appearing everywhere.

Create a new design for Luke's old skateboard for him.

LUKE is played by kiwi actor, FLOYD MORATTI.
